

THE LION'S DEN

Your “*mane*” connection to Athletics!

Team: Senior Girls Basketball

The Senior Girls Basketball team had an undefeated regular season record. As a result, they were the hosts of the CISAA playoff weekend. The girls participated in a hard fought game against the York School. They began the first quarter with a slow start, but from there picked up the intensity to put the game into double overtime. After an exhausting six quarters, they eventually lost. The girls worked hard and never gave up. Thanks to coaches P. Santomero and L. Newton for a great season. Goodbye to all graduating players: Emma Minden, Jackie Masters, Dana Roebuck, Amanda Kleshch and Delane Boakye. Can't wait for next season!

Team: U-14 Boys Soccer

The U-14 Boys Soccer Team ended their season on a winning note. Only with enough players to field a team, and the non-favourable wet and cold weather conditions, the team came out victorious, 4-3, on goals from Moritz Dueval, and a hat trick from Darcy Bloemen. Darcy's third goal and game winner, a penalty shot, came during injury time of the second half, just before the final whistle. The team finished with a 2-2-1 record. Thanks for a great season!

Team: Junior Boys Soccer

The Junior Boys soccer team had a great season this year. They were undefeated during the regular season, and finished first in the east. They hosted Holy Trinity School in the quarter finals and won. This sent them to the CISAA Final Four in Hamilton. In the semi-finals they faced De La Salle College and went into an early 2-0 lead but were unable to hang on, losing 4-3 in a very tight game. The boys look forward to bringing home the title next year!

Team: Junior Girls Basketball

With 12 determined and talented players, and 3 passionate coaches, the 2009-2010 Junior Girls basketball team had an amazing season. Since the very first practice, the girls proved that with their commitment and great attitudes that anything was possible. The team took this outlook with them into every game and played with confidence this season. Despite some tough losses, the girls travelled to Albert College on Saturday November 7th to compete in the CISAA Final Four. In a nail biting and exciting game, the female Lions played their final game against the undefeated Albert College like a true team. Coaches Pagano, Dickinson and Rachlis are proud of the Junior Girls and all of their progress this season. Can't wait to see you all out on the court next season!

Team: U-14 Boys Volleyball

The Under 14 Boys' Volleyball team played an exciting exhibition season this year. The boys played hard in every match and improved their basic skills. Even though we faced very tough competition, the boys won some of their games and were very close to winning the rest of them. Team Members included: Henry Morneau, Sam Downey, Matt Giannini, Peter McLeod, James Craig, Aaron Jackson, Cameron Teboekhorst, Daniel Mazur, Noah Chait, Cole Zeldin, and George McBride.

Team: Senior Boys Soccer

While the team began the year promisingly, beating De La Salle 3-0 and tying Greenwood 0-0, the team fell into a funk in its last three games. Unfortunately, the season was an abbreviated one – unlike in past years – and the team failed to recapture its winning form. Going into its final game against Trinity College, CPC needed a win to clinch a playoff berth, but ended up losing a hotly-contested affair. Mr. De Franco and Mr. Burkett would like to wish the best of luck to all graduating players, and look forward to working with all the up-and-coming ones!

Team: Junior Boys Volleyball

The Junior Boys Volleyball team had a great season with many exciting highlights. Although the team finished 2nd in our division, it was not enough to bring us through to the Finals. The boys played an exciting 5 set match against Upper Canada College and showed all aspects of their skill set. Eli Berg quickly stepped up to the Captain position when we unfortunately lost Eric Colwill to a concussion. Although the boys played their hardest, they were unable to defeat Crescent and advance to the finals. Ms. K. Williams and Ms. M. Sawka had a wonderful season with the boys and would like to congratulate them on their fantastic efforts. Keep volleying boys! Kill on two, one two, KILL!

Team: U-14 Girls Basketball

The Under 14 Girls Basketball Division II season was full of success and excitement. Coaches J. Williams and Winograd led the team to impressive victories over Division II schools Trafalgar Castle (34-15), Villanova College (33-19), and Ridley College (43-30) and tough losses to The York School (20-24) and Appleby College (39-42). The Lady Lions were competitive in each game they played. The girls played with determination and team work, ensuring a close end result. Williams and Winograd's squad made it to the Division II Championship, ultimately taking home second place. Coaches Williams and Winograd are extremely proud of the hard work and dedication each player put forth this season!

Team: Cross Country

The Crestwood Cross Country Team has completed another successful season. Whether it was heat waves, rainstorms or high winds, our fearless runners ran through it all. The season culminated with the C.I.S.A.A. championship meet at the dreaded "Mount Trinity". The team did great, with many personal bests achieved that day, and rising star, E.B. Sterling, placing in the top ten.

Coaches McCluskey and Lyons are extremely proud of everyone. Great work!
