STUDENT DIRECTORY

Each year, the Parents' Association produces a Student Directory which includes the name, address, phone number and e-mail address of each student in the school. This is very useful to both students and their parents to facilitate and promote communication. This Directory has proved useful to parents in locating students who forget to advise their parents that they are going to a friend's after school. Accordingly, each student is automatically included in this Student Directory. Should you **NOT** wish to have your child included in this directory, please complete the following and return it to the office by Friday September 11, 2009:

Do **Not** List ☐ _____ _____

Parent/Guardian Signature Date

Thank you in advance for your cooperation and understanding.
