

THE LION'S DEN

Your “*mane*” connection to Athletics!

U-14 Swim Team

This year’s U-14 Swim team is comprised of some very talented young swimmers such as Emma Piccone, Ryan Shin, Brian Wang, Melanie Wasser, Hailey Friedrichsen, Noah Schiff, and Jasmine Ford. They have put in a lot of hard work in practice and have been improving on their times with every meet. There are two more competitions before the final City Wide competition at the Etobicoke Olympium- and with the talented swimmers that we have, the future looks bright for the Under 14 swim team. Best of luck to the team on their upcoming meets!

U-14 Boys Basketball

The U-14 boys basketball team has shown a lot of character in the past month, despite having fought through a very difficult schedule. With strong hearts and equally strong efforts, the boys are hoping to get a win for the home crowd during their game against St. Michael's College on Monday, February 8 at 3:30 pm. Come on out and cheer the boys on!

Senior Girls Volleyball

The Senior Girls Volleyball team has had a slow start to the season with a record of 1-4. Since the beginning, there has been an obvious change in how we play together on the court. Each player is becoming more comfortable with positioning on the court and with each practice and game, our offensive skills are greatly improving. With the helpful assistance of Mr. Podlovics, Ms. Youm and Mr. Pryslak, the sky is the limit! We can’t wait for the rest of season!

Curling Boys/Girls Open

The varsity curling team is having a good season so far. We are happy to have both our skip and vice returning this year, Arthur Cooke and Sam Paisley respectively, and our head coach, Ms. Phillip. We have also welcomed three new additions to our team, Stefan Eylott and Tyler Hennick (second and lead) as well as our new coach, Ms. Goldberg. The team is off to a good start this year with a 1-1 record. They hope to take the CISAA Championship at the end of the season.

The open curling team, comprised of Lead Cameron Teboekhorst, Second Rachel Bregman, Vice Jesse Cooke, and Skip Richard Waters, has gotten off to a great start this season! They are undefeated 4-0 and have been winning games by large point margins!

Varsity Swim Team

The Varsity swim team grew again this year as we welcome new swimmers, Daniel Krause, Jordyn Letofsky, Oliver Pollard, So Hee Pyo, and Lindsey Swartzman.

After a strong start at Havagal, Crestwood swimmers beat their personal records during the qualifier event at Brock University. The Brock meet also marked the beginning of Crestwood's first Varsity Girl's relay team of Jacki Gunton, Brook Werger, So Hee Pyo, and Erin Sugar.

The meet ended with a spectacular finish as the boy's relay team of Ryan Chiu, Steven Jung, Thomas Minkov, and Kyle Resnick finished 2nd.

Coaches M. Pagano, Hecock, and Lee would like to thank the team for the best season yet as we gear up for our next week's meet at Toronto French School. Wish us luck!

Junior Boys Basketball

The 2009-2010 junior boys basketball team is comprised of 14 players, the majority of whom are returning from last year's squad. Despite their 1-3 record, the team is off to a solid start, with several losses coming by only a few points. Come out to our upcoming home games and show your support for one of Crestwood's most exciting teams.

Senior Boys Basketball

This year, the Senior Boys Basketball team has a lot of new faces. The boys had a rough start to the season going 0 - 7. As the season has progressed, everyone has learned to play together which has translated into the team becoming stronger and stronger. The chemistry is now at an all time high. On January 26, 2010, the basketball gods had their hands out and let the boys win their first game. It was a full out duel as UCC and Crestwood went shot for shot leading to a nail biter in the fourth quarter. Thanks to a miraculous rebound by Tyler Cohen, and stellar defensive plays by all the starters, the Senior Basketball team gained their first win of the season. We hope to see more wins in the remaining 5 games. Congrats on the hard fought win boys! Keep up the great work!

Junior Girls Volleyball

“Bump, Set, Spike” --

The volleyball season has finally started for the Jr. Girls team and we couldn't be more excited for formations, drills and, of course, 7am practices! The girls' team this year is full of talent on all parts of the court: strong servers, energetic setters and above all the lady lions that are ready to roar at the net and drill the ball into the opposing team! During the pre-season tri-meet the girls battled the competition and came out on top against Trafalgar to show that Crestwood is a force to be reckoned with. In the last two games against Bayview Glen and Toronto York School, the girls showed their never say die attitude by keeping the scores nail-bitingly close (you can check out their coaches fingernails to prove it!). These Lions love of the game goes so deep that they have even been known to continue playing in the locker room, a hard feat indeed! Coaches Ms. Dickinson and Ms. McCourt couldn't be more thrilled to be working with this team and look forward to what the season brings...and yes, that includes finding out what a Lobero is!!
