NOTES:

- Diploma Requirements are listed on the back of this sheet
- Only students who have completed Grade 9 Mathematics in Grade 8 should chose MPM2D
- Students who are in the Transition Program must consult Guidance about their choices. They may wish to select GLE10 in place of one of the credits listed above.
- Students who are exempt in French must consult Guidance about their course selection

While the school makes every reasonable effort to accommodate an individual's requests, it reserves the right to close a course where there is insufficient enrolment. Students will be notified should their courses be in conflict as a result of scheduling courses.

The submission of this Course Selection Sheet does not ensure that a space in the selected courses will be held for an individual student unless the Registration Process (i.e. all required forms and payments remitted) is fully completed **by February 12, 2010.**
