

St. John's Babysitting Course

The Parents' Association is offering a three week Babysitting Course which will be run by St. John's. The course, entitled What Every Babysitter Should Know, follows the course offered by St. John Ambulance at their facilities. The course is described on their website www.sja.ca as follows:

This course is designed for the 11 - 14 year old age group designed to teach babysitting, leadership, and First Aid skills in a fun and informative way. Students learn how to care for infants, toddlers and older children, what questions to ask parents, how to give First Aid, and what to do in emergencies. Activity book activities, role-playing and hands-on practice teach skills and build confidence. Each student will receive a copy of our award winning publication, What Every Babysitter Should Know workbook, and upon successful completion, a St. John Ambulance Babysitter's attendance certificate.

Dates: Attendance is mandatory for three dates: Tuesday March 23, Tuesday March 30 and Tuesday April 6. All students must bring a doll or stuffed animal and something to write with.

Time: 3:15 p.m. – 5:30 p.m.

All students should return the completed form with payment directly to the office as soon as possible as registration is limited to 20 students. A cheque payable to "Crestwood Preparatory College Parents' Association" (CPCPA), should accompany one form for each child.
